Legal framework

L.4727/2020 article 11 and 11A

L.4954/2022 article 81 Correction of personal data in public sector's registry

L.5099/2024 article 29 Correction of personal data in public sector's registry, amendment of article 81 L.4954/2022

Presidential decree 40/2025 procedure of issuing and granting the personal number measures and guarantees for the protection of data (A'67)

Hellenic Data Protection Authority Opinion 1/2024 2-2-2024 Opinion of the Hellenic Data Protection Authority on the Presidential Decree for article 107, paragraph 6 of L. 4727/2020

Ministerial Decision 16000 (Government Gazette of Hellenic Republic 2739B-13/5/2024) Confirmation and correction of personal data in public sector's registry

Hellenic Data Protection Authority Opinion 1/2025 12-2-2025 Opinion of the Hellenic Data Protection Authority on the draft law concerning the inscription of Personal Number on the Identity Card

Potential users

All individuals with at least one record in one of the public sector's main registries, meaning anyone who has been issued a tax or insurance or identity number or has a record at the Citizen's Registry or the Third-Country Citizen Registry

Personal Number beneficiaries

Those who exercise parental responsibility over people in the above two capacities

Who benefits the most

Users of digital services

Individuals facing identification problems in the digital world due to mistakes or discrepancies of their data in the registries

Citizens in myInfo...

1. View:

- ✓ the results of their record matching in the registries
- ✓ Their personal data the way it is recorded in related records
- ✓ Errors or discrepancies in the records that need to be fixed or updated
- ✓ Indicative duplicates
- ✓ Their Personal Number

2. Confirm their matching and personal data, in case of agreement. Then, automatically:

- ✓ All matched registry records are updated with the data from the source registry
- ✓ From then on, each change that occurs in the source registry is automatically forwarded to the rest

Citizens in myInfo...

3. Submit their objection if they disagree with the results of their matching.
4. May:
 - ✓ Confirm the personal and matching information for their underage children or people to whom they exercise parental responsibility

Data subject to confirmation

1. Personal data (surname, first name, father's and mother's name, birth date) from the Citizen Registry as stated by law
2. Identifiers of the matching records in the following registries:
 - Citizen registry
 - Tax Registry
 - Social Insurance Registry
 - Police Registry
 - Third-Country Citizen Registry
3. After confirmation, each connected registry is notified of the necessary updates to the citizen's personal data records
4. Updates to personal data in the Citizen Registry are only allowed to the local municipal office under the procedures in force. Updates regarding the same data in the Third-Country Citizen Registry must be submitted to the competent immigration office in the place of residence.

Access points

Via the Greek public administration portal

Visit a Citizens' Service Center (KEP) or a local Consular Authority

myInfo @ gov.gr

Submission of the solemn declaration

- After completing your options, tick on the solemn declaration which is formed automatically according to your choices.

☒ Solemn Declaration *

Being aware of the sanctions set in the provisions of paragraph 6 of article 22 of [law 1599/1986](#), I declare that a) my name information and my date of birth are correct, b) I am a registered citizen in the Municipality of c) the above social insurance number is correct and d) the above Police Registry identity card number is correct; and I consent to the transmission of surname, given name, father's name, mother's name and date of birth from the General Secretariat of Information Systems & Digital Governance to the Social Insurance Registry, to the Police Registry and to the Tax Registry, in order to update these Registries.

* The confirmation/completion of fields with asterisk (*) is obligatory

- Select the submit button
- You can print your declaration after you submit it

Scenario I: Verification of all fields

After submitting your verification

Your Personal Number is automatically issued

All matched secondary registries are informed of the necessary updates in your records according to the source registry

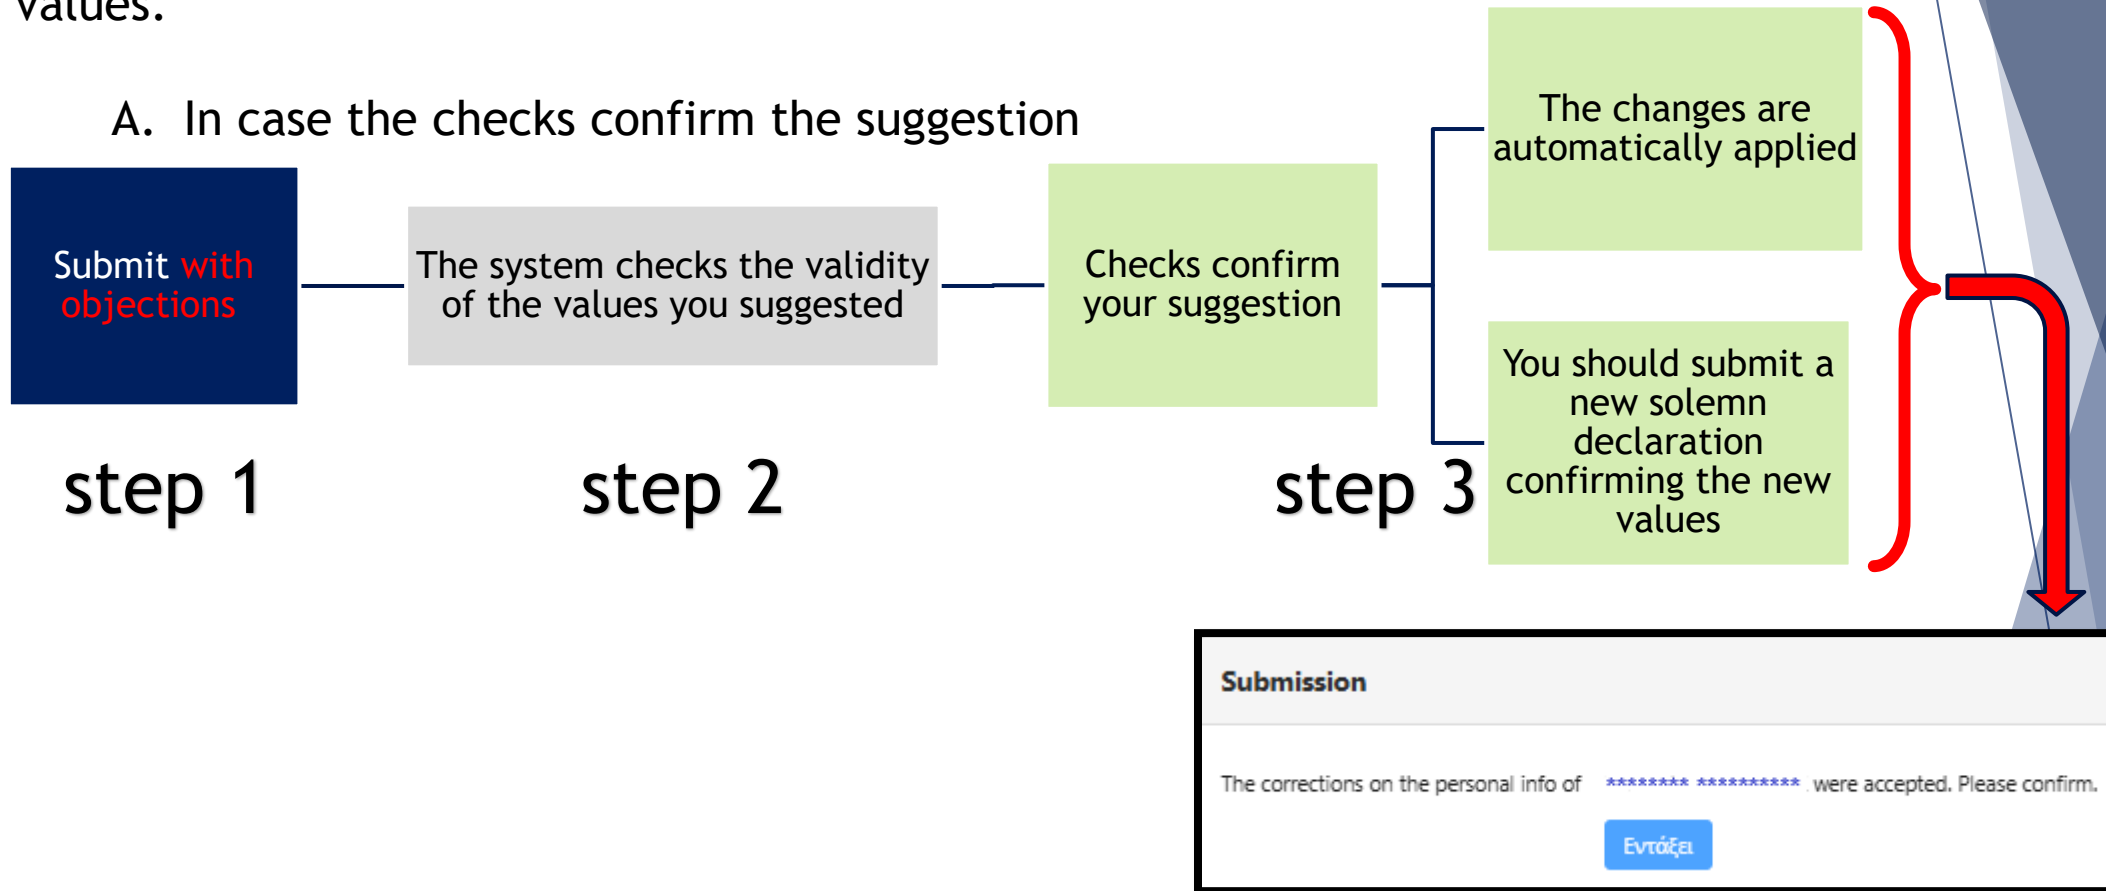

You may repeat the verification process for the minor dependent members of your family record or for the persons under your parental responsibility

From then on, each change that occurs in a source registry is automatically propagated to the rest

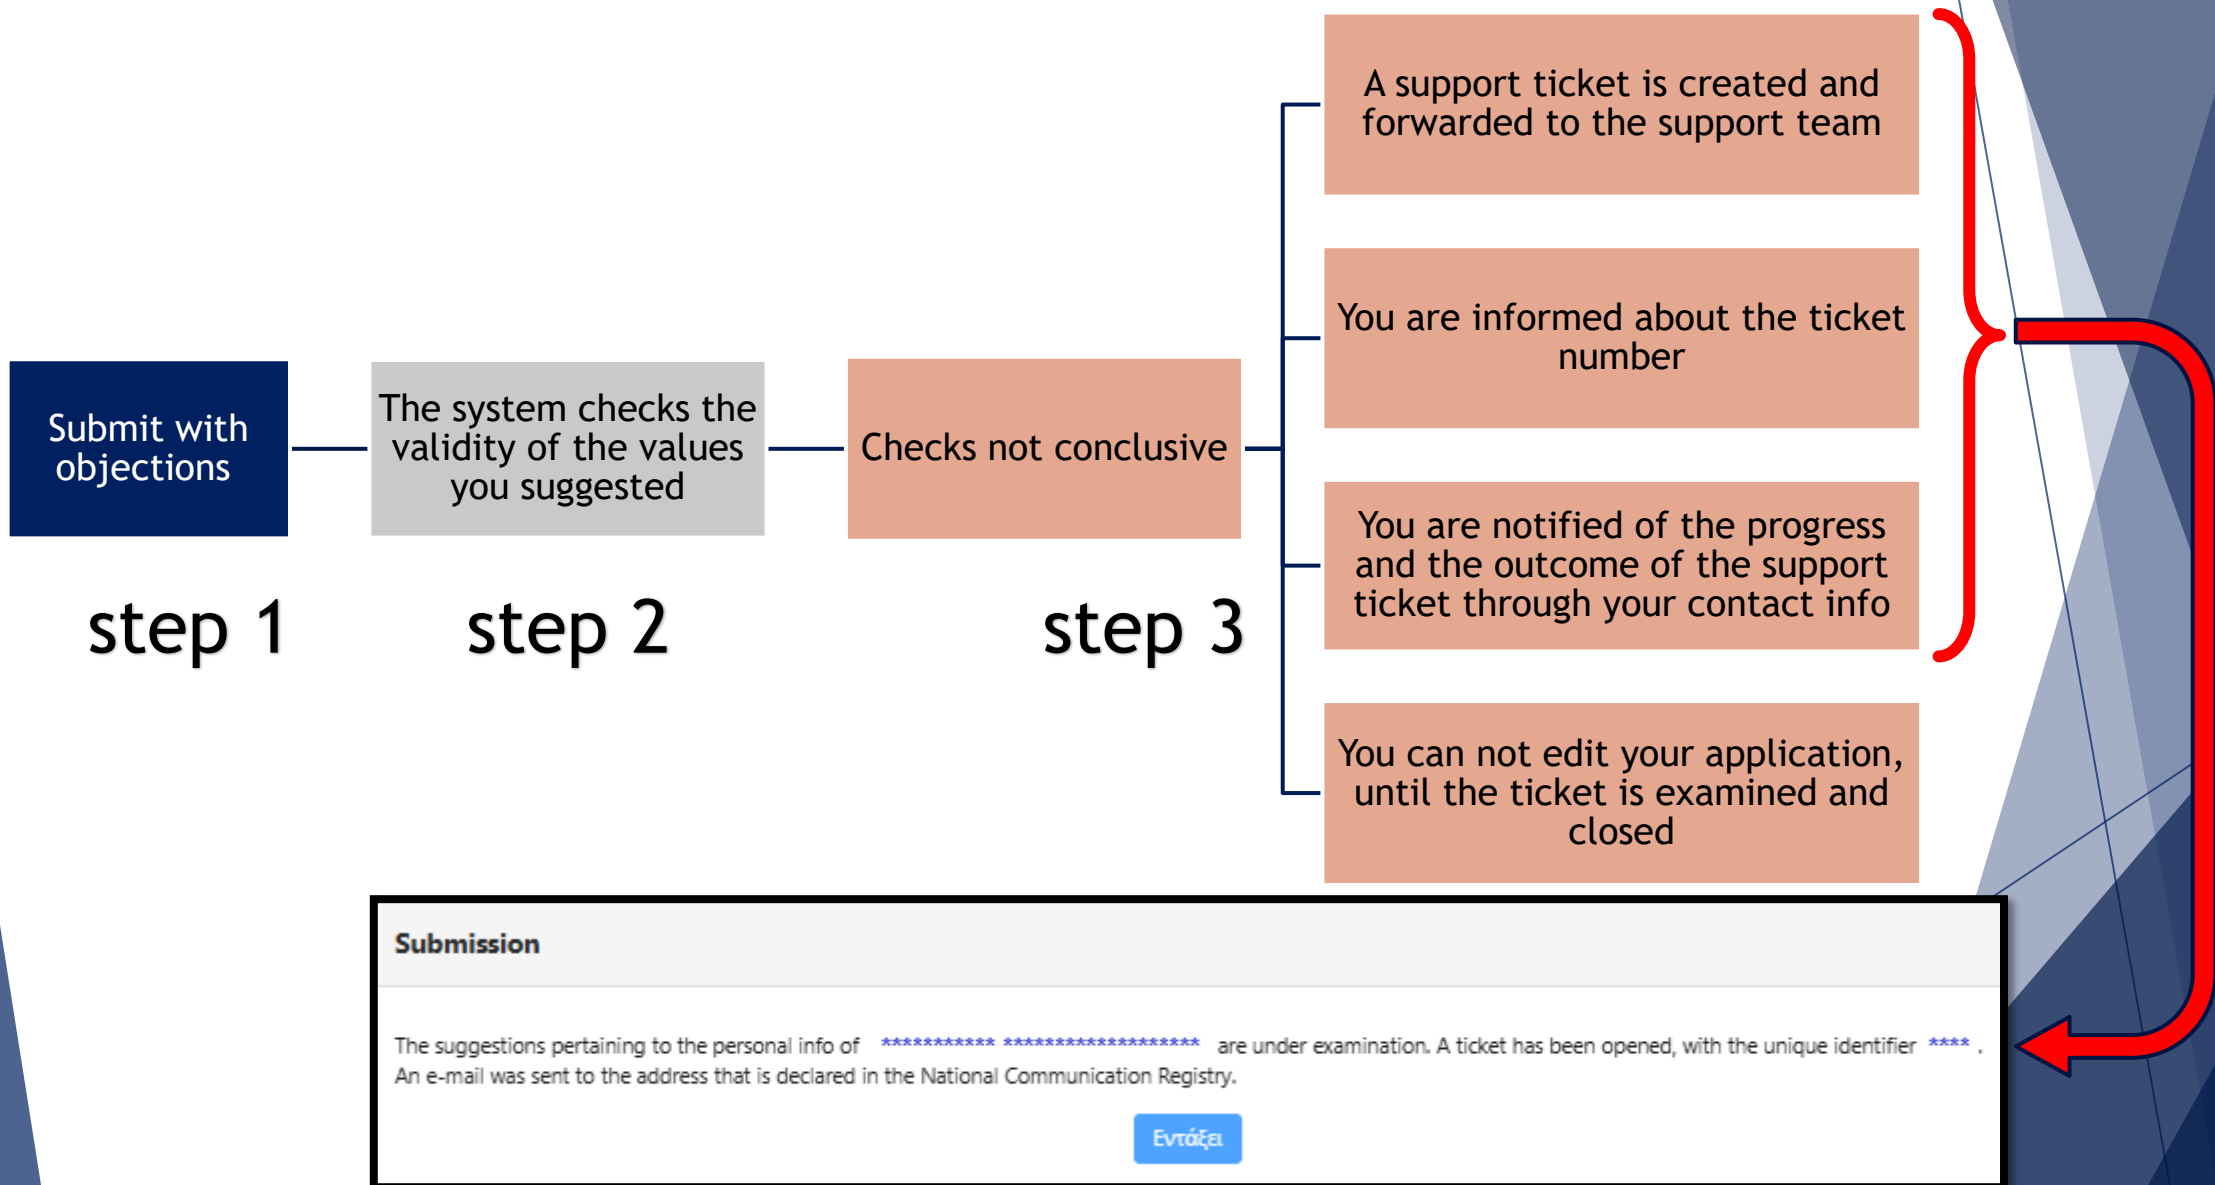

Scenario II: Submitting with objections

In case you submit with objections, the system executes validity checks for the suggested values.

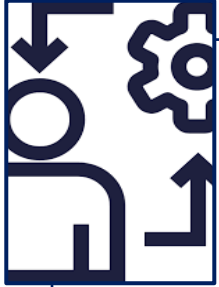

A. In case the checks confirm the suggestion

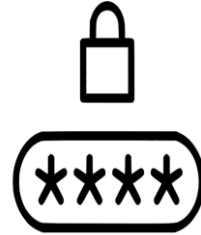

Scenario II: Submitting with objections

After submitting

View your records in all matched registries

The personal number for you is automatically issued and you may repeat the procedure for the protected members of your family

You may edit or print your declaration

The last declaration date is recorded by the system

Issuing your personal number

The PA is automatically issued:

- To individuals who have already completed the process of verifying their personal details, but the issuance of the PA has not yet been finalized.
- To individuals whose surname, first name, father's name, mother's name, and date of birth, as shown in the special electronic application "myInfo", match the corresponding details in their registration in the Tax Registry.
- To individuals born after the Presidential Decree 40/2025, provided that the process of assigning a Tax Identification Number has been completed.

Remember that the Personal Number is unique per person and cannot be modified

The personal number is composed of:

- 3 digits (letters or numbers) and
- the 9 digits of your tax registration number

Total: 12 digits

Issuing your personal number

A success message appears on the screen. You are also notified by email or sms.

Issue Personal Number

You were granted the Personal Number AB *****

An e-mail was sent to the address that is declared in the National Communication Registry.

Acting on behalf of the protected members of your family

Preconditions

- ▶ As the person exercising parental responsibility you should first confirm your own data
- ▶ The protected member is underage
- ▶ The person exercising parental responsibility and the protected member belong to the same or related family record at the Citizen Registry
- ▶ In order to issue a personal number, the protected member must own a tax registration number

Selecting a protected member

After you verify your data, you may do the same for the underage members of your family or people over whom you exercise parental responsibility .

There are two ways to complete this action

1st way:

- Click on the button
- Fill in the protected member's social insurance number and press Enter

 Protected members

Select protected member

protected member's social insurance number (AMKA) *

Selecting a protected member

2nd way:

If you have already verified your data, at your next login you click on the displayed pop up

Fill in the Social Insurance Number of the minor

Press “Enter”

I want to verify

☐ my personal info

☒ the personal info of a protected member

protected member's social insurance number (AMKA) *

Enter →

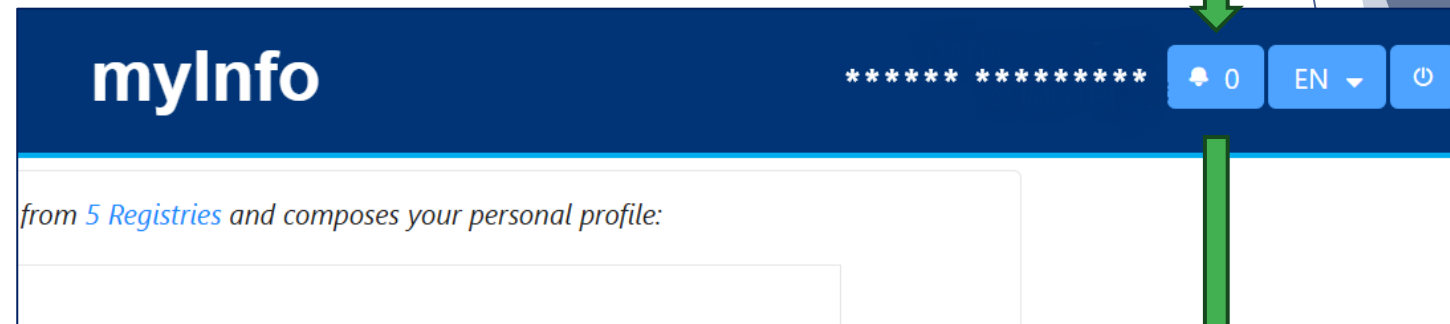

Protected member's data confirmation

Review the validity of the protected member's data and follow the same **procedure** to submit your agreement or objection on its behalf.

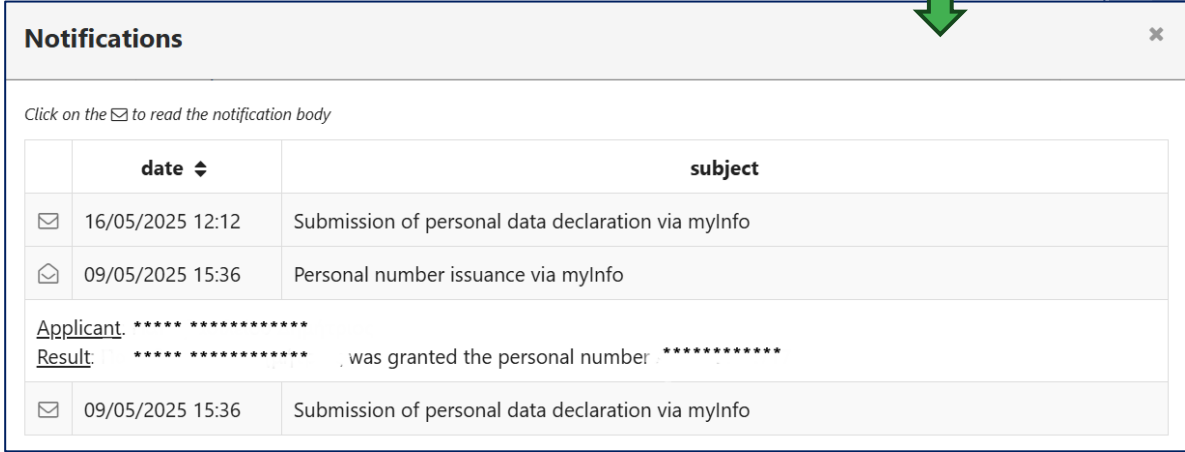

The solemn declaration is formed according to the data declared by the person exercising parental responsibility and then is submitted on behalf of the protected member.

Notifications

For each action concerning your data, the system creates a corresponding notification. To display those notifications, you can select the button , placed at the top right part of the screen

Click on the  icon to read the notification body.

	date ↕	subject
